

Deadline: November 30, 2020

Please address each of the following areas in your supporting documentation, adhering to the below sequence when possible.

- The innovative effect upon the provision of goods and services to the public.
- The proven success of the innovation. The positive and important effect.
- The significant advance that the innovation produces.
- Document and present the innovation in a form that allows the review panel to understand it.
- Additional considerations you would like to bring to the attention of the project review panel.

Note: Supporting documentation is limited to twenty (20) pages, exclusive of photographs and nominating form.
